**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need a competitive internet to keep prices in line. It's vital to small business. I have fiber today through a small company, providing service in my rural area, and likewise phone, when previously all I could get was DSL.

Support broadband competition. Stop big companies like AT&T from cutting off competition.
